Alternate dating for Jesus' Final week
 (near) *Thurs. night -> Friday*

Passover did not fall on Friday between 26 and 33 A.D. (begin on Thurs. night -> Friday)
 30 A.D. most likely date for crucifixion.
 In this dating, Jesus would have been killed at the same time as all the sacrificial lambs
 The following day would have been the Passover Sabbath (Friday) followed by the
 regular Sabbath (Feast of Unleavened Bread) with the
 Resurrection occurring on the first day of the week.

Any day or part of a day was counted as a day.
 Three days and three nights would be Thursday + night
 Friday + night
 Saturday + night
